Superintendent Frost and Roadmaster Alvord went out on a special yesterday, on a tour of inspection of the Ft. & D. C. R. R. They will go as far as Wichita Falls, returning to-day.

There are at least twenty-five telegraph operators now in this city who should be better acquainted with each other.. One of the craft asks the GAZETTE to suggest to those controllers of the lightning, that they form an association for mutual pleasure and benefit. Let the Knights of the Wire

A Valuable Invention.

From the Commercial World and U.S. Exporter, New York, Nov. 23, 1882.)

The number and variety of improvements and inventions in which electricity plays a leading part are con-stantly increasing, and seem in fact to have no limit.

ances of a very useful nature to which this agent has been applied has re- directors, cently been shown to your correspondent by the Portable Electric Light Company, of No. 22 Water street, Bos-

This valuable invention is of the that a safe, economical and instantaplicity of construction and perfect gross, freedom from any possibility of exbusiness trip through counties adja-cent. He comes to be with his friends complicating devices that a child can readily be taught to use it. In this apparatus we have the exemplication GAZETTE a pleasant visit yesterday tort, a carbon and zinc apparatus, with a spiral platinum attachment, is then adjusted so as to form a battery, and it is ready for use. The mere pressure of a finger on a little knob, which is connected with the battery, produces an electric current by which the spiral of planitum is heated to incandescence, resulting in a clear white light. The demand for the Portable Electric lighter attained such astonishing proportion within sixty days from the time of its introduction to the public, that the owner of the patents was induced to consent to the formation of a Geo. H. Dashwood has returned from a flying trip on business to Galveston. Mr. Dashwood thinks Fort Worth the greatest city in the state, but likes the beach of the Island City.
If necessary Fort Worth might build one.

Mr. Pierce Nagal of Alvarado, lately

Mr. Pierce Nagal of Alvarado, lately
